

NUTRITION SOCIETY OF INDIA

REGD.NO.125 OF 1966

HEAD OFFICE AT:
NATIONAL INSTITUTE
OF NUTRITION
(INDIAN COUNCIL OF
MEDICAL RESEARCH)

HYDERABAD,
TELANGANA STATE,
INDIA

OBJECTIVES AND FOCUS AREAS

- To be the representative organization of nutrition professionals from India and abroad.
- To disseminate findings of research in nutrition and allied sciences through annual meetings, symposia seminars and workshops.
- To motivate young nutritionists to take up research in nutritional sciences through awards and prizes.
- To publish the proceedings of the annual meetings and symposia.
- To honour scientists of national and international repute through its prestigious awards

ACTIVITIES OF THE SOCIETY

- More than 5000 members (Life, Ordinary and Students – Indian and foreign)
- Disseminates information through numerous Chapters spread across the country. Evidence based scientific information for policies, regulations.
- Conducts Annual National Conference with Pre-Conference Workshops on various aspects of topical importance in nutritional sciences.
- Serves as the local point of a network of National, Continental (Asian) and International Union of Nutritional Sciences.
- Holds Panel Discussions on issues relevant to Food and Nutrition Policies in the country.
- Encourages young and upcoming professionals in the field.

Nation-wide network and presence through 36 cities and >5000 members

Contribute to national efforts to improve the status of food safety and nutrition as a stakeholder

NSI DELHI

NSI HYDERABAD

NSI BANGALORE

OPPORTUNITIES

- NetProFaN has helped to bring together professionals to work towards the common goal of “Eating Right”
- Interlinking with other associations has increased outreach
- It has modified outlook for information dissemination
- Making members more sensitive to perspective of medical and culinary experts

CHALLENGES

- Getting all members on board
- Difficult to collate chapter reports on activities as they come at the end of the year

PLAN OF ACTION

- Wider dissemination during Annual Meetings
- Directions to all chapters about kinds of activities to be organized
- Real time monitoring across country

Thank
you!
