Dated 15th Nov, 17

Sub- Ban on use of Staple pins in tea bags - reg.

FSSAI vide office order of even number dated 18.07.17 has directed the Food Business Operators to discontinue manufacture, storage, distribution, sale and import of stapled tea bags by 1st January, 2018.

2. Many representations have been received from various Tea Associations to allow more time to migrate from existing technology to another for manufacturing of tea bags. The existing technology used for tea bags through stapled pin are widely prevalent in the country. The Food Authority has considered the matter and decided to extend the time period for implementation of this order by 30th June, 2019.

3. Commissioners of Food Safety of all States/UTs are directed to take necessary action to prevent usage of unsafe packaging material by FBOs and take up measures for enforcement of this direction from 30th June, 2019.
