

**Food Safety and Standards Authority of India**

(A statutory Authority established under the Food Safety and Standards Act, 2006)

**FDA Bhawan, Kotla Road, New Delhi – 110002**

**Dated the 28<sup>th</sup> March 2018**

**ORDER**

**Subject : Final Roll out and Implementation of Indian Food Laboratory Network (INFoLNET) – reg.**

INFoLNET is an initiative of FSSAI with the objective of bringing all stakeholders to a common platform for the establishment of a transparent food testing network. Several demonstration training programs have been conducted by FSSAI, at various places in the country to address the queries and resolve the difficulties encountered by laboratories in registering and rolling out INFoLNET system. A total of 123 laboratories have participated in these training programs so far.

2. In spite of all the training programs conducted by FSSAI and efforts made for enrollment of all the FSSAI notified laboratories, it is observed that many of the laboratories have not started using the INFoLNET system as yet.
3. **Keeping in view the importance of the system, all the FSSAI notified laboratories (Referral laboratories, State laboratories and Private laboratories) are directed to do the needful for complete implementation of INFoLNET system in their laboratory by 31<sup>st</sup> May 2018, failing which necessary action may be initiated, including de-recognition of the laboratory from the list of FSSAI notified laboratories under section 43(1) & 43(2) of FSS Act, 2006.**
4. This is to further inform that the laboratories which have not attended any of these training programs may use the URL mentioned below for registration, filling up of the laboratory profile data and submission of food products testing reports – <https://infolnet.fssai.gov.in/#/>
5. In case of any difficulty in accessing the system through the above URL, any of the following officials may please be contacted -
