

Food samples collected

Sep 7, 2018

Tribune News Service Ludhiana, September 6

The Health Department team comprising designated officer Dr Andesh Kang and Food Safety Officer Yogesh Goyal along with Dairy Development Department officials checked milk vendors on Dhandran Road. The team took 10 samples of which five samples of paneer, curd, milk, ghee and cream were from a dairy situated on Pakhowal Road. Two samples of ghee and skimmed milk powder were collected from a milk and ghee factory in Samrala. Three samples of mustard oil, soya paneer, flavoured tobacco were collected from a karyana shop in Samrala. All samples have been sent to FDA lab in Kharar. The drive against milk and milk products would continue in future as well and action would be taken accordingly, Dr Kang said.
