**Subject: Finalisation of Empanelment of Agencies for providing IT Resource and Application Development Services for Food Safety and Standards Authority of India**

The Food Safety and Standards Authority of India (FSSAI), Ministry of Health and Family Welfare, GOI, invited Expressions of Interest (EOI) for empanelment of agencies for providing IT resource and Application Development Services to FSSAI on various technologies. Through this EOI, FSSAI intended to identify a few suitable agencies with requisite expertise and resources for providing such services. Accordingly, the FSSAI called for proposals from reputed agencies/organizations, having demonstrated expertise in providing such services. Last date to receive the bids was 14<sup>th</sup> November, 2017 (3.00 PM). Twenty-one number of companies responded to the EOI. The opening and evaluation of Technical Bid was done on 14<sup>th</sup> November, 2017 at 16:00 PM and later all documents were scrutinized by the internal team members of the technical committee.

2. The competent authority of the FSSAI has approved empanelment of the following nine shortlisted agencies based on the technical score and whose documents were found to be in order, initially for one year from the date of issue of the letter which may be extended based on their performance, as per detail given below –
