Head - Naturalist-Inspired Chemical
Ecology (NICE), National Centre for
Biological Sciences (NCBS)

WHO SHOULD ATTEND

Food Industry Professionals, Consultants, Enforcement Officers,
NGO's, Agriculture Scientist, Food Safety and Agriculture
Students, Researchers, Academicians, and Consumers

BENEFITS

01

Insights on Next Generation Risk
Assessment (NGRA), its relevance
and the need for adoption of the
science into regulatory frameworks

02

Enhancing trust and confidence in
safety of foods

03

Appreciation of ecology-based
approaches to reduce food
wastage and enabling food security

CII-HUL Initiative on Food Safety Sciences (CHIFSS) was set up by Confederation of Indian Industry (CII) in partnership with Hindustan Unilever Limited (HUL) with the purpose of 'Driving activities related to science based food safety' in the country by engaging with all relevant stakeholders. <http://www.chifss.in/>
