

PRESS RELEASE

Dated: 05th August 2022

The action under the nation-wide campaign launched on 01.08.2022 by FSSAI to check adulteration in edible oils continued on its fourth day also. The cumulative number of surveillance samples of packaged edible oils, vanaspati and multi-source edible oils lifted so far has gone up to 1552 across 29 States/UTs. Further, as a major action against the sale of loose edible oil, a total stock of 17377 litres of loose edible oils has been seized so far on the spot.

The samples are being sent to the laboratories for testing and any failure reported on the basis of the results of the surveillance drive will be immediately followed by the drawing of regulatory samples to take legal action against the concerned Food Business Operators.
